## VOLUNTEERS

Through out the year there are needs for volunteers. In past years the people that have volunteered have been a great help. By doing so it reduces the costs in the Athletic program, plus it bring families together creating a stronger community. Any games in the gym are examples of events where we can use people on the scoreboard. And during tournaments we host and playoff games that are here we not only use people on the scoreboard but also at the gate. In addition, the Booster Club will look to sell concessions whenever they can.

Stay alert and enter SUG (Sign Up Genius) to select your choices. Thanks.

## Athletic Director

One week into the new school year. My how time flies. Welcome back to all the families from last year as well as the new families to our school. Watch for volunteering opportunities. Be aware that coaches, assistant coaches and volunteers need to be current with the VIRTUS training.

We did combine with Presentation, St. Jerome and St. Pascal for our two soccer teams. We also combined the Middle school students onto the older team. The CAA will put together the schedule for each of our teams. They try to keep the schedule updated on the CAA web site. Once that is released then the information can be shared with the coaches, players and families.

Any student athlete that wants to play on more than one team in the same season can explore that option, just be aware of the chance of more time conflicts.

In a few months there will be an announcement about winter sports registration. We offer Boys & Girls Basketball, Hockey and Swimming.

Any questions can be directed to me. GO TIGERS!!!!!!
