TIGERS SOCCER NEWS

8th, 7th & 6th Grade

The team started the season at home against St. John the Baptist. As the coach I am still trying to assess the skill levels and abilities of each of the players. We stayed close for most of the game. It was 2 - 1 at the half. Ended up losing 5 - 2. I only see better results as the season goes on and we get to practice together so everyone knows what to expect and where the other players should be on the field. We have several schools on the team, some of the schools don't end their school day until 3:45pm. So 4pm is as early as we can begin. Wednesday game got rained out we are looking for a time to reschedule and will let everyone know when that happens.

Coach Weingartz

5th Grade

The St. Ambrose game began at 10:10am on Saturday morning. The players were there and ready to play in their first game of the season. The tigers started of strong scoring a total of nine goals throughout the game. Caleb U added a goal , Drew G added two goals on the day, Henry A had three goals along with Elise adding another 3 goals to help the tigers power through their first game. In goal we had Logan playing the first half and Michael M playing in the second half shutting out the other team. All around there was a great team involvement from the goalie all the way up to the forwards. The players had fun and are excited too play in their next game coming up on Saturday 09/14 against St. Odilia at transfiguration.

Practices will be held on Wednesday from 4pm-5pm

Athletic Director

Watch for volunteering opportunities. We get to host two volleyball tournaments coming up on 09/27-09/28 which is a 5th and 6th grade tournament and then on 10/4-10/05 we will be hosting a 7th and 8th grade tournament. Will need many volunteers over that time period for Admissions, Scoreboard and Concessions. Go to Sign Up Genius and select your spot and times.

Be aware that coaches, assistant coaches and volunteers need to be current with the VIRTUS training.

Any student athlete that wants to play on more than one team in the same season can explore that option, just be aware of the chance of more time conflicts.

Any questions can be directed to Mr. Weingartz or Ms. Luger. GO TIGERS!!!!!!!

The Booster Club is a BIG help to the school and our Athletic programs. You can join anytime, but the sooner the better.
